Calibre Audio Library

Calibre Audio Library brings the pleasure of reading to people with sight problems, dyslexia or disabilities through a subscription-free, postal and streaming service of audio books. The library contains 8,000 titles (including 1,500 for children) available on MP3 CD, USB memory sticks and via streaming. To join Calibre there is a one-off fee of £35 (£20 for under 16s) enabling people to enjoy a lifetime of free audio books. There is no annual subscription, postal charges or fines for late books. Calibre also offers a 3 month free trial period for those who haven't tried audio books before.
