# Anchor

Anchor has a number of retirement properties to rent in Newcastle.  Each location is supported by an experienced manager who takes care of building maintenance and gardening.  There is also 24/7 support which includes personal alarm pendant systems, controlled access to the properties and key safes, as well as a minicom service.

They offer support to their tenants such as cost of living help, digital skills, wellness and movement programme.

They are a non-profit organisation.
