Christmas Wreath Making

Join local florist, Moira Angus, for a fabulously festive Christmas wreath making evening and enjoy a delicious grazing platter.

Make a stunning, fresh foliage Christmas wreath for your front door. You can go full glitz and glam with baubles and glitter or keep it very natural with cones, cinnamon sticks and dried oranges. Whatever your style!

We'll be making them from scratch, starting with moss and seasonal foliage and you'll be guided every step of the way. All equipment/materials provided, except scissors. Please bring your own pair of scissors.

The grazing platter includes local cheeses, charcuterie meats, salad, pickles, fruit, nuts, hummus and crudites. The price also includes a filter coffee or tea. Alcohol will be available for purchase plus a range of alcohol free and soft drinks.

Age 18+. No dogs allowed.
