

## **Doorbells: Dreaming for the Future**

My home, my castle, my container, my prison?

How do we imagine the future of where and how we live? Who will we live with? What can we afford? What will our lives look like and how will we manage?

Join them for a screening of this performance, with original songs and live soundscapes.

Behind our doorbells and front doors, how are we dreaming of the future?

Screening followed by refreshments, post-show discussion and networking bar.

Tickets are £3 and available via [Eventbrite](#) and on the door.

Doorbells: Dreaming for the Future has been commissioned by Care & Repair England and Elders Council of Newcastle, supported by Northumbria University.
