

J's & B's Singers

St James' and St Basil's Singers is an 'open to all' choir that meets on Monday evenings at the church. With a focus on classical music this group will sing secular and non-secular choral works in the ideal acoustic of J's & B's. Music Director Simon Davies-Fidler will help singers to develop music reading skills and choral singing technique whilst working towards performances each term. There is no audition required for this ensemble, so come and give it a go!
