

## Patient Public Carer Partner Engagement Meeting

The online Patient, Public, Carer and Partner Forum is a space where you will hear updates about health services and listen to health professionals and guest speakers. There is a Question & Answer section at each meeting. This may become a face to face forum again as lockdown restrictions ease.

Contact [hannah.singleton2@nhs.net](mailto:hannah.singleton2@nhs.net) for a link to meetings using Teams.
