

## Shed a Light Art Exhibition

Shed a Light explores the struggles and strengths of people and communities throughout the turbulent time of COVID-19. Created independently and remotely by people during Lockdown, with the support of artist Nicola Lynch, the virtual and physical exhibition features 20 small sheds that all tell a story.

If you can't get to Newcastle City Library, you can explore the sheds virtually in a fantastic exhibition created by Art Matters Now. Visit [artmattersnow.org.uk](https://artmattersnow.org.uk) or [nicolalynch.co.uk](https://nicolalynch.co.uk).
