

Disability North

Disability North provides information and advice for people who are struggling with any sort of physical activity, their families and carers. They can offer independent living support and advice on:

- aids and equipment
- employing care staff or a Personal Assistant
- managing your personal budget or direct payments
- disability related benefit advice, help with appeals and representation at tribunals
- advice and support upon leaving hospital
- radar key for accessible toilets

They have a demonstration area to show you: accessible ranges and items for kitchen, bathroom and shower, stairlifts, walkers, risers, wheelchairs and shoes.

This is a designated [Safe Reporting Centre](#) where people can report [hate crime](#) or hate incidents without having to contact the Police directly.
