

Care & Repair Newcastle

Care and Repair Newcastle are a council service that helps you review your housing needs. They provide

- support to apply for a Disabled Facilities Grant to pay for adaptations
- a free loan (non means tested) for a stair lift or ceiling hoist after you've had a needs assessment
- approved contractors to carry out adaptations
- guidance on moving home if it is not possible to make adaptations to your home
- manages the [Minor Adaptations service](#)
