Are you looking to get into work? Do you want to make a career change? Do you want support to create a CV? Y

Hives are located at [Blakelaw](#) and [Walker](#). At the Hive you can get support in a variety of areas, including:

- help to look for jobs and volunteering opportunities, and to fill in application forms
- help with other skill development including maths, English and using computers
- access to other learning opportunities and qualifications
- help with budgeting, meal planning and other household concerns
- fun, friendly workshops on a range of topics

The Learning Hive has free computer and internet facilities.
