

Museum Monthly Socials (Shingley Art Gallery)

Socialising and connecting with others is important. Going to a museum and meeting new people can make you feel happier and healthier. It can also improve your mental health and wellbeing. There will be free tea, coffee, and refreshments on the go and you'll be able to chat to museum staff. There will also be informal tours of new and permanent displays and collections highlights for you to learn about.

This event is free and for everyone and no booking is required.
