

## Warm Home Discount Scheme

The Warm Home Discount Scheme provides a one-off £140 discount on your electricity bill if the following apply:

- your supplier was part of the scheme
- your name (or your partner's) was on the bill
- you were getting the Guarantee Credit element of [Pension Credit](#) (even if you get Savings Credit as well)

The discount won't affect your [Cold Weather Payment](#) or [Winter Fuel Payment](#)

You may be able to apply directly to your electricity supplier for help if you don't get the Guarantee Credit element of Pension Credit but:

- you're on a low income
- you get certain means-tested benefits
