

Discovery Museum

Discovery Museum explores life in Newcastle and Tyneside from our renowned maritime history and world-changing science and technology right through to fashion through the eras and military history. The museum has lots to offer audiences of all ages with many interactive displays which includes 'Play Tyne' a water play area for children under 7 to experience the workings of the River Tyne, including shipbuilding, loading cranes etc. It's a great place to learn and have fun. Donations welcome, admission free.

It is also a designated [Safe Place](#) for people with learning disabilities
