

Bridge Folk Club

The Bridge Folk Club, previously known as Folk Song & Ballad, runs every Monday night at 8.30pm in the Bridge Hotel, in Castle Square, right opposite the Keep on the Newcastle end of the High Level Bridge. You can get to the Bridge very easily by train, metro and bus, and there is ample parking for cars.

Listen to a range of live folk singers from traditional to contemporary. We have had songs from Sweden, Germany, Spain, Japan, Australia, North America, England, Ireland, Scotland and Wales. Everyone who comes along is encouraged, but never forced, to participate whether it be a song, poem, monologue, or just join in the choruses.
