

Dental Emergency Clinic

The Dental Emergency Clinic provides an open access emergency service without the need for an appointment if you suddenly require dental attention but cannot see your own dentist.

If you have had an injury, are in pain, have facial swelling or bleeding, then this service is appropriate for you. It is not possible to be seen by specialist dentists at this service however we will do all we can to make sure that your pain and symptoms are relieved.

The emergency clinic is based at the Dental Hospital and is open Monday to Friday (apart from bank holidays) from 8.30 each morning. Either attend as early as possible as it is a 'first come, first seen' basis. You could also 'phone ahead to check availability.
