

Reviving the Heart of the West End (RHWE)

RHWE runs a number of projects supporting people into Enterprise, Education and Employment including;

- The Marketplace – market events across Newcastle for anyone interested in test trading and trying out their business idea.
- Business Sparks – a youth enterprise programme for 16-24 year old's living in Newcastle offering workshops, mentoring, 1:1 support, test trading and business showcase.
- Newcastle Enterprise Club – 1:1 pre-start support and Business Advice as well as business start-up workshops, Business mentors and office space for anyone interested in self-employment or starting a business.
- Scholarships – for West End residents undertaking a college or university degree (no age limit, but it must be your first level 4 to 6 qualification)
- Work experience and volunteering opportunities, business networking event and accredited Enterprise training.
