

Keenagers Badminton

Wednesdays and Fridays 10.30am to 11.30am for the over 50's player.

The combination of consistent green backgrounds, no lights above the courts and a forgiving, sprung wooden floor makes the Tyneside Badminton Centre an ideal environment for the over 50's player. The sessions are suitable for all standards of play, from beginner to expert.

Contact the Badminton Centre if you are a Keenager and interested in some coaching.

Tea, coffee, water and good company is available in the Centre afterwards.
