

## Supported Employment Service at Newcastle City Council

The Supported Employment Service helps people who have barriers to employment find and stay in work. They help people to think about their career goals and how to achieve them. They can help you to:

- understand existing skills and how they're useful to the jobs market
- write a CV and apply for jobs online
- get ready for interviews
- choose and gain qualifications
- stay in work
- take part in work experience and placements at [Natures Landscapes](#) and FoodWorks.

They also offer advice to employers on:

- disability employment
- organising interview candidates for your organisation
- skills tests
