Junction Point

Junction Point is a consultancy and business support service. They work with businesses and charities that want to make a positive difference to the community. Funding is available for services in Newcastle.

Whether you've got a business idea or you're a charity or social enterprise in need of a little support and direction, they can help you. They run training courses, workshops and 1 to 1 coaching. They can help you start a new business or develop one that you're already running. They can help you build confidence, capacity and skills to help you on your journey and grow your business. Developing entrepreneurial skills to support employment and self employment.
