

Inspired Support

Inspired Support mentors people with autism or a learning disability to believe in themselves and find their potential to develop socially, in work and in life skills using a model, Aspirational Tree of Development. They have a number of services for people from 16 years upwards, including Inspired Creatives and Inspired Digital:

- a recording studio, art studio, gaming and computer lounge
- venue space and bar
- radio suite
- media lab

You can access the service by paying privately or if you meet eligibility criteria through social care. They have sites at Hadrian House, Newcastle, Birtley Leisure Centre, Gateshead International Stadium.
