

Heaton History Group

Heaton History Group is for anyone who loves Heaton (the one in Newcastle upon Tyne, UK) and is interested in its history. They have an exciting programme of walks and talks and they're also conducting research into many aspects of the history of Heaton. Visit their membership and events pages, read the blogs on their home page and follow them on Twitter to find out more.

Contact them for further details or to join them. Their events are held at Heaton Baptist Church.
