

The Chatty Cafe Scheme

The Chatty Café Scheme began by encouraging cafes and other venues to have a Chatter & Natter table which is where customers can sit if they are happy to talk to other customers. Since Covid-19 we've introduced weekly one-to-one calls and online Chatty Café sessions which are for anyone aged 18 and over. There are currently three in Newcastle

- The Owl Tree Children's Cafe in Kenton
- Costa in Gosforth
- Costa in Kingston Park

You can also join an online session by emailing Jenny. Held on Tuesdays, Thursdays and Fridays at 1pm on Zoom and everyone is welcome. They last for 30 minutes and lots of people state that these are the only faces they will see that day.

You can register your venue to join the scheme.
