

Being Woman

They educate and empower women and wider community by promoting diversity, equality and justice for all. Their service includes:

- Learn Club provides a safe and supportive learning environment to step up your digital and computing skills. Free service, Mon to Thurs between 10 am and 2 pm.
- Make It Click programme aims to help adults achieve positive life and work outcomes, particularly around employment, by supporting them to understand how digital skills can change their life, and give the practical skills and knowledge to build their confidence to do so
- English My Way is a 24 week blended learning programme focused on supporting adults who have low English language skills or none at all, to become a part of their local communities
- Share Karo is a free service to support and reach the most vulnerable in our community who can no longer feed themselves or their families. They work with FareShare
- Rain is a free & confidential dedicated service to support Asylum Seekers, Refugees and BAME (Black, Minority and Ethnic) groups in Northumberland with domestic abuse, relationships and difficult emotions
- English (ESOL) classes Wednesdays at 10am
