

Newcastle City Council Prevent

Prevent works in Newcastle to keep children and adults safe, to prevent them from being drawn into terrorism or becoming radicalised. This is known as safeguarding people from radicalisation. Their work includes:

- training, outreach and community work to identify and support people who are vulnerable to radicalisation
- understanding the causes of radicalisation in communities and online
- helping people who are already engaged in or supporters of terrorism, to change their behaviour

If you are concerned about your own or someone else's behaviour you can contact Prevent for information

Prevent is part of the [Government's Counter-Terrorism Strategy \(CONTEST\)](#).
