

Stop the Traffik

Stop the Traffik work to prevent human trafficking and modern slavery. You can use their **Stop App** or website to tell them about suspicious activity. It's anonymous, confidential and available in 7 languages. It's not an emergency service.

If someone is in danger [call 999](#)

They have the **Stay Safe in the UK resource** to help Ukrainian refugees and asylum seekers find support in the UK if you have been displaced because of the war. It includes:

- Directory of information on where people can find support in the UK
- Information on workers' rights in the UK and how to find work
- How to find accommodation and where to report issues
- Access to physical and mental health support
- Access to legal advice, such as immigration advice
- Support to find family that has been displaced because of the conflict
- Information on benefits and financial support in the UK
- Information on support for family and children
- Information about travel in the UK
- Information on life in the UK
- How to report concerns of trafficking or incidents of exploitation
