

Get involved in your community

Many people want to be more involved in their local community, volunteer for something they are passionate about or get involved in a group to speak up about issues. This article gives some ideas on how to get involved in research, share your experiences to improve services, share your skills with or speak up for your your community This may be called activism, involvement, engagement, co-production or collaboration.

Academic and research opportunities

VOICE (Valuing Our Intellectual Capital and Experience) at Newcastle University, involves members of the public in research. Members work with academics to improve the focus, quality, relevance and impact of research, to make a positive difference to people's lives.

National Institute for Health Research Clinical Research Network North East and North Cumbria welcome people to get involved in health research. You can visit the **NIHR local network site for opportunities to take part in health research**. You could also donate a blood sample to the NIHR BioResource and get matched into research studies based on variations in your DNA, health and lifestyle information, your age, gender or ethnicity.

The Fuse Public Involvement and Engagement Group (PIEG) welcome members of the public, service users, carers, patients, families and local communities to get involved in research activities. You don't need any specific knowledge or previous experience, just an interest in public health research and some time to commit to sharing your thoughts and ideas. To get involved [you can register your interest using their online form here](#)

The Elders Council Research and Impact Group is for members who are interested in research and how it impacts older people in Newcastle, it involves working with partners such as the Healthy Ageing Policy Research Unit. If you are interested you can call 0191 2082701.

Communities

ACORN Community Union is a mass membership organisation (community union) and network of low-income people organising action for communities. Their community action is aimed at companies, councils, and parliament.

BeTrans offer opportunities where you can share experiences and views to raise awareness and educate organisations about supporting trans people.

Dwellbeing Shieldfield is a community group and co-operative for people of all ages and backgrounds living working or studying in Shieldfield. They host projects, research, social

activities and events in Shieldfield. This includes youth programmes, community archives, community chefs, community gardens, neighbourhood care walkarounds and more.

[Elders Council of Newcastle](#) is a membership organisation for people aged 50 and over in Newcastle upon Tyne. They meet to address the issues that are important to older people across the city.

[Haref](#) work with ethnically marginalised communities to identify their key issues around health and improve the health information available to them

[Lifting Neighbourhoods Together](#) support people living in Walker and Byker in developing community led groups and activities.

[The North East LGBT Federation](#) works to unite LGBT people, groups, organisations and communities across the North East to act together as one voice for the North East LGBTQ+ communities.

[Tyne and Wear Citizens assembly](#) is a community action group. They work together to discuss issues that matter to you, to improve the local community. You can join them to share your ideas and work on a plan of action. The group is made up of people from local churches, mosques, schools, charities, trade union branches and a university. Together, they focus on injustices in local communities and campaign for local action.

Cancer

[Northern Cancer Voices](#) are a group of volunteers and health professionals from the North of England that give their views on cancer services.

Community consultations and engagements

[Lets Talk Newcastle](#) is Newcastle Councils official consultation and public engagement platform for Newcastle. You can register for an account on the website and have your say on consultations in Newcastle ranging from transport and roads to services and green spaces.

Health & long term conditions

[Community Champions](#) are a network of people who live, work or study in Newcastle and share public health and social messages in their communities. Champions get free training and regular updates from the public health team. They are also invited to regular meetings with council officers to share concerns their communities may have and come up with creative ways to share key community and health messages.

[Research+Me](#) is a digital registry of people who might be interested in taking part in research. They look for people living with **conditions** such as type 2 diabetes, irritable bowel syndrome, heart disease, asthma, Obesity, depression and bipolar disorder; and welcome those who have other or no health conditions too. You can [register your interest for research opportunities by using their online form](#)

Helping refugees and asylum seekers to get involved

There are lots of ways that you can help refugees and asylum seekers settle into communities in Newcastle. This could be giving your time and skills as a volunteer or hosting a refugee in your home.

You can read more about [Helping refugee and asylum seekers to get involved in communities](#).

Neighbourhoods

[Newcastle Neighbourhoods](#) run quarterly network events for local groups and organisations to get to know each other. These sessions give you the opportunity to explore how we can work together, with our communities, to help them to flourish.

The events take place in the 4 Neighbourhoods: North, Inner West, Outer West and East of Newcastle. Anyone who works or volunteers in the health, social care, voluntary, community, housing, sport, leisure, uniformed services and social enterprise sectors are welcome to attend. Email the Team for more information.

The [Communities team at Newcastle City Council](#)

- run ward events for residents and local organisations
- manage ward budgets and ward grants to the community
- support transfer public community buildings to interested community groups, charities and local organisations, known as community asset transfer.

[Byker Village Tenants and Residents Association \(TARA\)](#) work closely with Byker Community Trust and the Police to make their area of the estate a clean and safe place to live.

[The Jesmond Residents Association \(JRA\)](#) are a local resident association with members from schools, churches, choirs and music groups, sports organisations, voluntary and charity organisations. They hold twice monthly open forum meetings for residents to discuss local issues, events, community notices and other business. They support and help organise the [Jesmond Community festival](#)

Older people

[Elders Council](#) is the older people's forum in Newcastle. They hold events and focus groups where older voices are heard. They take part in research and develop creative and community projects for older people in Newcastle. It's free to join for people over the age of 50 who live in Newcastle.

[VOICE](#) involves older people in research. Members work with academics to improve the focus, quality, relevance and impact of research, to make a positive difference to people's lives. Members can take part in lifelong learning and become research active citizens. While helping to shape social and technological innovation.

[Platform 60](#) is a website and online community forum for older people across the UK. Members are older campaigners, volunteers, community activists and others from a range of different organisations. Platform 60 allows people working or campaigning for Older people to share ideas, good practice and get feedback from people with similar experiences or goals. Platform 60 is developed and run by older people for older people.

Read more about [older people's forums in Newcastle](#)

Parents and carers

You can also read more about [Donating your body to science](#) to help research.

Volunteering

One of the easiest ways to get involved in your community is to volunteer at a local charity or venue.

[Volunteer centre Newcastle](#) can help you get started as a volunteer with a wide range of volunteer roles, training and support. [Their Volunteer Passport scheme](#) means you go through one application and training process. Then you can volunteer for a wide range of different roles and organisations in Newcastle

You could become a [Good Neighbour project Newcastle volunteer](#) to help people in the community who are socially isolated or need some one-off help with a task

[Read more about volunteering on InformationNOW](#)

Ward areas and voting

Newcastle upon Tyne has 26 Electoral wards. A ward is a local government area, mostly used for elections.

Arthur's Hill, Benwell and Scotswood, Blakelaw, Byker, Callerton and Throckley, Chapel, Castle, Dene and South, Gosforth, Denton and Westerhope, Elswick, Fawdon and West Gosforth, Gosforth, Heaton, Kenton, Kingston Park South and Newbiggin Hall, Lemington, Manor Park, Monument, Jesmond (North and South), Ouseburn, Parklands, Walker, Walkergate, West Fenham, Wingrove

If you want to find your local ward for the area you live in you can use the [My Neighbourhood Tool](#) and search using your postcode to find out:

- Who represents you and councillor details
- Ward Committee Meetings
- Electoral information and polling stations

You can also use the [Find a Councillor tool](#) and search by name, political party or ward. Here you can find the details for when your local councillor holds a Ward Surgery. A ward surgery is your opportunity to meet with your local ward councillor to discuss any issues you may wish to raise.

Read more about [Voting](#)

Young people

[Locality Youth Voice](#) is for 11 to 18 year olds who live, work or study in Newcastle. young people represent their local areas, the issues for young people and then help develop an action plan to tackle these issues. It is part of the Voice and Influence Team within the Children, Education and Skills Directorate at Newcastle City Council. The groups are based upon which part of the city you live in: the East, Inner West, Outer West or the North. **For any further questions and how to get involved, please email voice@newcastle.gov.uk**
