Embells Community Support Project

Embells is a project offering support to residents of Gateshead who are in need. They help with food parcels and clothing needs every day of the week and run a regular community market on Fridays from 11 am to 2.30 pm. Self-referral. All the funds raised go directly to supporting individuals and families in need in Gateshead.

Donations can be dropped off at a food donation box at the Onebody4life Fitness Studio. See Facebook page for items.
