

Northbourne youth initiative

Northbourne youth initiative are a youth and community project working with children and young people in Elswick and the West End

They offer children and young people 8-25 years a range of opportunities to further their personal experience and social development.

They provide a wide range of activities for children and young people to engage in from play, gaining certificates, camping, cooking, The Duke of Edinburgh Award and fun leisure activities.

NYI run senior activity sessions for 13-19 year olds which include:

- Duke of Edinburgh project
- Girls football
- Football project
