

Humankind: LGBT + North East

Humankind LGBT North East provide support to young people aged 11 to 25 through a range of projects across the North East region.

LGBT+ specialist support includes:

- one to one sessions with one of our experienced team members
- sexual health guidance
- support to access clinical gender identity services for trans or non binary people
- the opportunity to meet other LGBT+ young people in your area
- family support
- hate crime reporting
- fun activities and sessions such as sailing, meals, climbing, etc. in a safe space

They are also a delivery partner for the [Rainbow Flag Award](#); a quality assured framework for schools to ensure that they are providing inclusive and positive environments for LGBT Students and their staff.
