Tesco

Tesco is one of the big supermarkets where you can buy food, clothes, toys, household and electrical items in store or online. Some stores have pharmacies, petrol stations and cafes. They have stores in Newcastle City Centre, Jesmond, Heaton, Kingston Park and Gateshead. In larger stores you can recycle batteries and plastic bags. Visit their website to find the store closest to you.

Order online to have groceries delivered to your door or order online to collect at a local store. There is a charge for delivery. Subscriptions are available to help save money on food delivery costs. They have a reward card for discounts and offers

Other services they provide include:

- opticians
- car, pet and travel insurance
- mobile phones
- community space (Kingston Park store only)
