

Bereavement Services at Newcastle City Council

Bereavement Services at Newcastle City Council can provide you with help and advice about arranging a funeral and choosing a memorial. They can provide information about cemeteries, graves, crematoria and the associated costs.

They also manage 21 sites in Newcastle. This includes cemeteries and church yards. You can contact them about their:

- grounds maintenance
- memorial safety
- walls paths and roads

Please note you must register the death with [Register Office](#) before you can arrange a funeral.
