

## Tell Us North

Tell us North are a community interest company that

- Works with local communities to influence and improve the quality of health, wellbeing and social care services
- Provides community engagement, research, evaluation and assessment services within the fields of health, wellbeing and social care
- Provides training and development of skills for volunteers and the wider community
- Runs information, signposting and advice services for the public about local health and social care services

They run [Healthwatch Newcastle](#) and [Healthwatch Gateshead](#), which work to ensure social care and health commissioners and providers listen to local communities in order to continuously improve services.

Commissioned by Newcastle City Council to run [Healthwatch Newcastle](#)
