

White Ribbon UK

White Ribbon UK works to engage men and boys to end violence against women and girls.

They run campaigns, training and events to explain how you can help to tackle challenging behaviour towards women. They encourage everyone to make the [White Ribbon Promise](#) to never use, excuse or remain silent about men's violence against women.

Visit their website for more information about how to get involved, use their free resources, take part in training or sign up to become a champion or an ambassador.

White Ribbon Day is an annual event on 25th November.
