

Connected Voice

Connected Voice is an independent charity which supports the local voluntary, community and social enterprise (VCSE) sector in Newcastle and Gateshead. They offer:

- an independent voice on policy and strategy
- **independent advocacy services** to people in need
- networking, training and support services to voluntary and charitable organisations
- **Sector Connector** connects businesses to local VCSE organisations for training, volunteering opportunities and help
- professional community accountancy services
- best practice in health and social care
- **Connected Voice Haref network**
- **Small Sparks Plus Awards** for VCSE organisations working in local communities.

Connected Voice is commissioned by Newcastle City Council for:

- voluntary and community sector infrastructure support
- Black and Minoritised Community health and wellbeing development support
