Centre for Ageing Better

The Centre for Ageing Better is a charity working to improve policy, services and society so people can age well. They do this through research, campaigning, and projects such as:

State of Ageing reports: Annual research report about how people are ageing in the UK

Age-friendly Communities Network: A network of communities across the UK that work towards an age friendly framework to improve their local area.

Age Friendly Employer pledge: Employers commit to improving work for people in their 50s and 60s based on an Age-friendly Employer action framework
