

Tales in Sombre Tones CIC

Tales in Sombre Tones is an accessible arts and literature company. They provide accessible arts and literature projects, workshops and events for local communities.

Projects include:

- [BSL readings of short stories](#) from Tales in Sombre Tones.
- [3D printed illustrations](#) for the blind or visually impaired
- [Story Bocs Project](#): A series of workshops in the East End of Newcastle where people can create a book shaped box with items or art that tell a story
