Drug and Alcohol Social Work Team at Newcastle City Council

The Drug and Alcohol Social Work Team is a small specialist team at Newcastle City Council. This service is for adults in Newcastle experiencing problems with or affected by drugs and alcohol use. They can assess you to find out if residential rehabilitation is suitable for you. Residential rehabilitation is where you live in supported accommodation and get help to recover from addiction.

To use this service you need to be getting treatment or have a specialist assessment with the? Newcastle Treatment and Recovery service (NTaR). To find out more you can speak to your keyworker, if you have one, or the Social Work Team.

This service is commissioned by Newcastle City Council
