

Walking With The Wounded

Walking With The Wounded (WWTW) is a military veterans charity that supports UK veterans.

WWTW helps veterans with employment support, mental health and wellbeing, and support care coordination. Their services include:

- Head Start helps veterans get support with emotional wellbeing and mental health through counselling. Ex-military veterans can get up to 12 private counselling sessions face to face or online.
- Op-Connect helps ex service veterans to meet socially with other veterans, get active and get involved in their communities.
- Support Care Coordination caseworkers. WWTW also provide Support Care Coordination caseworkers as part of [NHS Op-COURAGE](#)
