

Women Artists of the North East Library - WANEL

Women Artists of the North East Library (WANEL) is an arts library collection, a public programme of events and artist commissioning organisation.

[The library collection](#) includes publications, audio, objects, images and other documents that record historic and current women's art across the North East of England.

WANEL hold Open Library exhibition events at different venues in the North east where you can come view their work. Or you can contact them for an appointment to view the library collection.
