

The Honey Tree wholefoods

the Honey Tree is an organic, whole foods and health food shop. The Honey Tree sell

- fresh food and drink such as vegetables, fruit and milk
- cupboard stable whole foods such as grains and pulses
- natural body care products
- eco-friendly cleaning products
- superfoods and health care supplements

You can order fruit and vegetable boxes for [delivery or collection](#). They order direct from local supply chains and farms so less food is wasted.
