

## Alan Shearer Centre

The Alan Shearer Centre is a specialist, respite, residential and social facility for people living with complex disabilities and acute sensory impairments. They have 3 specialist facilities on the same site. They provide:

- **Short Break Centre:** tailored to the needs of disabled children and adults. This respite care means parents and carers can have a break while the person they care for is looked after
- **Specialist Residential Home** for live in care for adults with complex disabilities and behaviours
- **Activity Centre**, a free, specialist leisure, sensory and social centre for children and adults with disabilities

**The Alan Shearer Centre is commissioned by Newcastle City Council**
