

Healthwatch Newcastle

Healthwatch Newcastle helps everyone speak up about health and social care services in Newcastle. They also offer free, confidential and independent information about these services. Please see their opening times, telephone and email below though the office itself is not open. Leave a message and someone will get back to you.

They use your feedback to make sure the people who plan, run and check health and social care services:

- **listen** to people who use their service
- **think** about what people are saying
- **use** this information to make services better

Healthwatch Newcastle is part of a wider network which reports to the national Healthwatch. They are provided by [Tell us North CIC](#)

Commissioned under guidance by Healthwatch England, by Newcastle City Council as a champion for children and adults who use health and social care services across Newcastle.
