Northern Directions

Northern Directions is a Groundwork Charity programme that helps young people aged 16-24 living in in Newcastle, Northumberland and North Tyneside, that are not in education, employment, or training,

Young people get personalised support from youth coaches and skills tutors to:

- build confidence,
- understand and support barriers to education, employment or training- such as mental health or other personal challenges.
- access to free courses, skills and training
- get guidance and experiences to move into into training, education, or employment.

Northern Directions is provided by Groundwork North East and Cumbria
