

British Liver Trust

The British Liver Trust provide free support for anyone affected by a liver condition. They have a free telephone helpline staffed by expert liver nurses. You can talk to them if you or someone you love has been affected by liver disease or liver cancer, or you are worried about your liver health. They also have:

- free information
- online support groups
- online community on Health Unlocked
- liver health awareness resources such as [online liver health screener tool](#)
