

Cook Together Club Fenham Monthly cooking class

“Cook Together Club Fenham is for local residents to increase their skills, knowledge and confidence to cook delicious meals from scratch where emphasis is on low cost ingredients and low fuel use.

Cookery classes take place once a month and free cook-at-home recipe kits will be available to collect on specific dates too (we'll be looking for local people to join our Recipe Kit Building team too!)

Free classes take place once per month (last Tuesday of every month) focusing on familiar midweek meals, family favourites and will help you to reduce reliance on processed food, ready meals and takeaways.

??All ingredients are included and everyone takes away everything they cook.

Cook Together Club welcomes all residents of Fenham, Newcastle Upon Tyne, and the surrounding areas particularly people who might feel they struggle to get ingredients or lack confidence to cook from scratch at home. “
