

## **Newburn Library – Drop-in creative workshop: Journal Making**

In this workshop you will use found materials to make books you can use for just about anything. Lists, ideas, thoughts, feelings or a place to pop photographs, sketches, paintings or anything in between. This is a drop-in creative workshop, no need to book to just pop along for a cuppa and get creative.

This workshop is ran by [Newcastle Libraries](#) and supported by [Dementia Friendly Newcastle](#)
