

# Get Online Newcastle Volunteer Recruitment Day

Get Online Newcastle (Digital Inclusion Team) is looking to expand its team of dedicated volunteers and are holding a volunteer recruitment event at City Library

Are you over 18 and have good IT skills, knowledge of how to access and use the internet with confidence and a passion for helping others? Do you have time and want to be part of a team who enjoy giving support to their local community?

If you are looking for work, evidence shows that potential employers look favourably on applicants who have shown commitment through volunteering roles.

Our digital inclusion support sessions are delivered at libraries and other venues across Newcastle so there could be sessions local to where you live.

If you are interested in coming along on the Saturday 6 September, please email [Getonline@newcastle.gov.uk](mailto:Getonline@newcastle.gov.uk) and we can book you a place
