

Newcastle dental hospital

The Dental Hospital is the major centre of specialist dental services for the northern region.

They treat patients referred to them for a wide range of services providing expert dental care and advice:

- children's dentistry
- community dental service
- dental emergency clinic
- dental radiology
- dental sedation
- oral and maxillofacial surgery
- oral medicine
- orthodontics
- restorative dentistry

Emergencies are through your own dentist or through NHS 111.#

Their community dental service supports:

- people under 18
- People who are homeless
- People who are asylum seekers
- People with mental health problems
- People with learning difficulties
- People with complex medical issues that need extra care at the dentists (also know as medically compromised)
- People who have a phobia of the dentist
