

Disability North 40th Celebration

Disability North is proudly celebrating **40 years of championing the rights, independence, and inclusion of disabled people** across the North East and want YOU to be part of it!

They've supported thousands of individuals and families through advice, independent living services, and community partnerships. To mark this milestone, they're throwing a **special celebration on Friday 24th October** at their home in the Dene Centre, and are inviting community, supporters, partners, and friends to join for a day full of connection and fun.

From **live entertainment, inclusive activities, and birthday cake**, to a chance to explore their work and hear about exciting plans for the future, this is more than just a party. It's a celebration of the impact made together, and a rallying point for everything that's yet to come.

You can also have a go at other activities and meet other support services, including:

- [PRS Inclusion Services Team](#) – Courses and employability support for disabled people.
- [A Time 2 Talk](#) – Counselling and Well-being
- [Age UK](#) – Promoting wellbeing and independence in later life.
- Liveasy Shop
- try your luck at Tombola
- explore the Disability History Walls – a powerful visual journey through 40 years of Disability North

There are 3 sessions running throughout the day, so you can choose a time that suits you:

Session 1 – 11:30am to 1:45pm

Session 2 – 2:30pm to 4:25pm

Session 3 – 5pm to 7pm
