PayingForCare

Paying for care helps you understand your care options, the potential cost and who will pay for your care. They provide:

- online information and advice
- **care cost calculators** to work out
    - how much you may need to pay for care services
    - if you might be able to get help to pay for your care
    - the care cost cap
- find specialist care fees advisors in your area

It's impartial, not for profit and free to use.
